The Director of Human Resources shall reply within the next five (5) working days, in writing.

Step 3 - If a satisfactory settlement is not reached at Step 2, the grievance shall be referred to Step 3 within ten (10) working days of the Employer's reply at Step 2. The Union Representatives and the Chief Administrative Officer, or his or her designate, will meet to discuss the grievance. If they are unable to settle the grievance within ten (10) working days of the date the grievance was referred to Step 3, then either party, within fifteen (15) working days, may give written notice of arbitration to the other.

9.05 Arbitration

- (1) The party desiring arbitration shall name its nominee to the Board in the notice of arbitration referred to in Article 9.02, Step 3.
- (2) Within five (5) working days of receipt of notice of arbitration, the other party shall in writing name its nominee.
- (3) Within a further ten (10) working days, the two nominees shall agree upon a Chairman. Failing agreement upon a person willing to act, either Party may apply to the Minister of Labour to appoint a Chairman. Hearings shall commence within thirty (30) days of the appointment of the Chairman.
- (4) The Arbitration Board shall hear the parties, settle the terms of question to be arbitrated and make an award within fifteen (15) days of the arbitration hearings or within such extended period as may be mutually agreed to by the parties. The Board shall deliver its award, in writing, to each of the parties and this award shall be carried out forthwith. In the event the Arbitration Board finds that an employee has been dismissed or suspended unfairly or for any other than proper cause, the Board may direct the Employer to reinstate the employee and pay to the employee a sum equal to his or her wages or salary lost by reason of such suspension or discharge, or such lesser sum as in the opinion of the Board is fair and reasonable or make such other order as it considers fair and reasonable having regard to the terms of the Collective Agreement between the parties.
- (5) Each party shall pay its own cost and expenses of the Arbitration and its nominee and one-half the remuneration and disbursements or expenses of the Chairman.

19.02 Sick Leave Defined

Sick Leave means the period of time an employee is permitted to be absent from work with full pay by virtue of being sick or disabled, exposed to contagious disease, or because of an accident for which compensation is not payable under the Workers' Compensation Act.

19.03 Sick Leave During Leave of Absence

It is equally expected that contingency plans should be available that would allow the employee to be at work within a couple of hours of a disruption occurring. It is also expected that where both an employee and his/her spouse work they would alternate in handling these occasional crisis illnesses. Therefore, in case of illness of an immediate member of the family of an employee (parent, parent-in-law, spouse, brother, sister, child), where no one other than the employee can provide the needs of the ill person, the employee shall be entitled, after notifying the Department Head, to use a maximum of two (2) accumulated sick days per illness to a maximum of five (5) days per calendar year for this purpose.

This provision includes claims made to ICBC.

Such adjustments will be reviewed annually.

Upon such annual review, if a classification is found to be above market then the rate for the class will revert to the pay grade or hourly rate in effect prior to the time the temporary increase was applied. Those employees found to be above the range will remain at their current rate until such time as normal increments or general increases match or exceed the employee's current rate, at which time employees shall again become eligible for increments and general increases.

ARTICLE 25 - TECHNOLOGICAL AND OTHER CHANGES

- 25.01 The Employer recognizes that it has a responsibility to its employees before the introduction of any technological changes or methods of operation which may adversely affect the continued

employment of regular employees, conditions of employment, wage rates, or work load. In this respect the Council of the Corporation of the District of Maple Ridge shall notify the Union.

The Employer further recognizes that Regular Employees so affected will be given all available opportunities commensurate with seniority and abilities to acquire the necessary knowledge and skills required for retention of their employment. Notwithstanding the foregoing, it is agreed between the parties that any Regular Employee who is displaced as a result of technological changes or method of operation, will be given an opportunity to fill vacancies related to his or her skills and qualifications according to seniority.

If any law now existing or hereafter enacted, or altered by way of changes to the law or regulations shall invalidate any provisions of this Agreement, or if there is an amalgamation, annexation, merger or other structural change of the Employer, this Agreement shall not be invalidated. It is understood and agreed that the existing rights, benefits or privileges of the employees and the Employer shall not be less than those provided for in this Agreement or applicable legislation (whichever is the greater) and either party upon notice to the other may reopen this present Agreement to the degree necessary to give effect to the provisions contained herein.

LETTER OF UNDERSTANDING

between the

CORPORATION OF THE DISTRICT OF MAPLE RIDGE

(the "Employer")

and the

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 622

(the "Union")

RE: NON-STANDARD HOURS OF WORK – RCMP RECORDS UNIT

The parties have agreed to amend the hours of work of positions in the Records Unit of Police Services in accordance with the following principles:

(1) Hours of Work

- (a) The work schedule for hours of work shall be based on an average of thirty-five (35) hours per week.
- (b) The work schedule shall be developed on the concept of five (5) days on duty and three (3) days off duty.
- (c) The hours of work for each shift shall consist of eight (8) hours. These hours of work shall be inclusive of two fifteen (15) minute rest periods and exclusive of one hour for lunch. The shift schedule involves days and afternoon shifts as per the attached schedule.

(2) Commencement and Termination

- (a) The five (5) days on duty and three (3) days off duty schedule shall commence on 2002 September 9th.
- (b) This Agreement shall be viewed by both parties as a trial arrangement and either the District or the Union may terminate it by stating in writing that the work schedule revert to that which was in effect prior to implementation of this Agreement. Any reversion shall occur no later than thirty (30) calendar days after receipt of such statement by the other party.

Letter of Understanding re Non-Standard Hours of Work – RCMP Records Unit (cont'd)

(3) No lesser or No Greater Advantage

- (a) It is understood and agreed between the parties that the intent of the Memorandum of Agreement is that no lesser or no greater advantage shall result from the trial arrangement.
- (b) It is agreed with respect to any differences between the parties, and particularly with respect to any disputes between individual employees and the Commanding Officer of the RCMP, regarding matters arising in general out of implementation and administration of this Memorandum of Agreement that any such differences or disputes shall be referred in the first instance to a joint committee comprising the Union President and the Personnel Director. It is agreed that such reference shall be considered a prerequisite to the filing of any grievances. It is agreed that any settlement with respect to such differences or disputes must be consistent with the provisions of the Collective Agreement for those classes of positions that are seven (7) hours a day, thirty-five (35) hours a week. It is further agreed that the implementation and administration of this Memorandum of Agreement, or consequent reversion, shall be of no additional cost to the District.

(4) Overtime

- (a) For the purposes of Overtime Pay on scheduled working days, overtime pay shall be paid for hours worked in excess of eight hours in a day.
- (b) For the purposes of Overtime Pay on scheduled days-off, employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of Overtime Pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.

(5) Vacation and Sick Leave Credits

Annual Vacation entitlement and all credits for Sick Leave shall be converted from working days to working hours by multiplying the number of days of credit by seven (7) hours. For example, an employee who is entitled to fifteen (15) days of vacation in a calendar year shall be entitled to 105 hours of vacation (15 X 7). Similarly, employees earn 1.5 days of sick leave for every month of service and shall be credited with 10.5 hours of sick leave each month. Deductions from vacation and sick leave banks will be in accordance with the actual number of hours absent.

(6) General Holidays

- (a) The work of the employees covered herein is, for all intents and purposes, required to be performed continuously and on almost every day, including General Holidays,

Letter of Understanding re Non-Standard Hours of Work – RCMP Records Unit (cont'd)

throughout the year. As a result, each employee covered herein shall receive twelve, seven hour working days off (84 hours) with pay in lieu of General Holidays. At the beginning of each calendar year, each full-time employee will have their General Holiday bank credited with 84 hours (twelve General Holidays times seven hours). Employees commencing full-time employment after the start of the calendar year will have their General Holiday bank credited with the remaining number of General Holidays left in the calendar year following the start of their full-time employment.

- (b) All credit in the General Holiday bank (84 hours maximum) must be taken as paid time off in the calendar year in which it is earned. General Holiday bank hours cannot be taken/paid out in cash.
- (c) An employee covered herein who is scheduled and does work on a General Holiday shall receive the appropriate overtime rate for all hours worked between 00:01 and 23:59 on the day on which the General Holiday actually falls. The aforementioned overtime premium will not affect the employee's entitlement to 84 hours working hours off with pay.

(7) Pay Cheques

Bi-weekly pay advices will reflect the actual hours worked in the pay period. The parties recognize that bi-weekly pay will fluctuate depending on the schedule worked during the pay period.

Dated this 29 day of May, 2014.

RE: EMPLOYEE-FUNDED LONG TERM DISABILITY PLAN

The Employer and the Union agree that the following terms and conditions shall apply to employees who have completed the qualifying period for benefits and are enrolled in the employee-funded Long Term Disability Plan.

1. Eligibility

The Long Term Disability Plan was implemented on October 1, 2002. All Regular Employees who had completed the three (3) month probationary period as of that date had a one-time option to participate in the Long Term Disability Plan. Those who waived the option cannot enroll at a future date. Participation in the Long Term Disability Plan is mandatory, following completion of the probationary period, for all Regular Employees hired after October 1, 2002.

2. Status and Benefits Coverage During the LTD Waiting Period

An employee who does not have sufficient Sick Leave credits to cover the six (6) month LTD waiting period, shall be deemed to be on an unpaid leave of absence for the remaining balance of the waiting period. As per Article 21.10 of the Collective Agreement, Medical, Extended Health, Dental, and Group Life/AD&D coverage shall continue for the first four weeks of the unpaid leave in accordance with the cost-sharing arrangements agreed to in the Collective Agreement. The employee may elect to maintain their Medical, Extended Health, Dental, and Group Life/AD&D benefits coverage following the four week period by paying 100% of the premiums. If the Group Life Plan includes a premium waiver, no premiums will be payable as long as that provision is in effect.

Employees shall not earn other benefits such as vacation pay, general holidays, and sick leave while in receipt of LTD benefits. Where an employee returns to regular employment, the time absent will be included in the calculation of the employee's seniority and eligibility for future vacation entitlement only.

Letter of Understanding re Employee-Funded Long Term Disability Plan (cont'd)

3. LTD and Sick Leave are Exclusive

Where an employee is in receipt of Long Term Disability benefits the employee shall not have access to Sick Leave.

4. Pensionable Service

The Employer shall request and upon receiving approval from the Superannuation Commissioner, the period of Long Term Disability will be considered as pensionable service.

5. Back-filling for Those on LTD

When the employer elects to back-fill for an employee on LTD by posting a Regular Full-time position and the employee on LTD is subsequently able to return to their posted position, the returning employee shall be reinstated into their previous position or a comparable position.

6. Medical Information Relating to Ability to Return to Work

In order to facilitate the earliest return to work, the Employer may require an employee to periodically provide information relating to the employee's limitations, abilities and the time frames associated with a return to work. Such information may be required, in an acceptable form, from the employee's health care professional(s). Where the Employer or the Medical Consultants of the Employer require such information, it shall be at the Employer's expense.

7. Return to Work (Rehabilitation)

Where the Employer and the employee's physician determine it advisable, employees may be assigned, either on a part-time or a full-time basis, to another position commensurate with the employee's skill, knowledge, ability and medical condition, and where mutually agreed between the Employer and the Union, posting and seniority requirements may be waived.

Employees who return to employment on a part-time basis or to light duties shall be considered to be on one (1) absence for the purposes of the Long Term Disability Plan.

8. Termination of Employment

Nothing in this Letter restricts the employer's right to terminate an employee's employment if, as a result of the illness or injury, it is determined that the employment contract has been frustrated.

Letter of Understanding re Employee-Funded Long Term Disability Plan (cont'd)9. Amendments/Cancellation of the LTD Plan

Any changes to the six (6) month LTD waiting period or the two (2) year own occupation period shall not alter those time frames as they appear in this Letter of Understanding, unless the Employer agrees in writing to amend the time frames.

In the event that the LTD Plan is terminated, this Letter of Understanding will terminate on the same date. However, this Letter of Understanding will continue to apply to any employee who continues to receive LTD benefits after the termination date until such time that all such employees have exhausted their remaining rights under this Letter of Understanding. A change in carrier shall not be considered a termination of the Plan.

EMERGENCIES (SNOW REMOVAL ONLY)

In order to ensure junior operators gain sufficient experience to perform snow clearing the Employer will implement a system that will assist the junior staff in gaining experience while at the same time adding fairness and equity into the workplace with respect to the allocation of overtime.

The system principles are as follows:

- (a) The system reflects the occurrence of a full rotation through the categories before returning to the top of the list.
- (b) The rotation is a full rotation for the whole season and not a new start with each snowfall or emergency event.
- (c) Employees will be classified into five (5) categories: Truck Drivers, One-Ton Truck Drivers, Backhoe/Tractor Operators, Grader Operators and Front-End Loader Operators.
- (d) One-Ton truck Driver and Front-End Loader Operator are learned skills and as such are not classified as posted positions. For construction of the One-Ton Truck Driver category, Labourers will be considered as employees that hold a posted position for use in (e)(i) below. For Front-End Loader Operators construction of this classification will be in accordance with (e)(ii) below.
- (e) Categories will be constructed using the following criteria:
 - (i) By seniority, employees that hold a posted position within the category;
 - (ii) By divisional seniority, employees that have demonstrated ability to perform the work within the category.
- (f) It is understood that employees can make themselves available for multiple categories but that the Roads Superintendent needs some degree of latitude to dispatch employees that are on more than one list to the equipment that is most needed at the time to meet operational needs.

Letter of Understanding re Emergencies (Snow Removal Only) (cont'd)

In order to maintain this flexibility, this may result in work being performed out of seniority order.

RE: PRINCIPLES AND GUIDELINES – AQUATICS SCHEDULING

1. Shift schedules are created by the Employer throughout the year and can span from a few weeks to a number of months.
2. Employees will be provided with the opportunity to provide the Employer with information regarding availability in advance of the creation of shift schedules by the Employer. Such information will not be used to determine an employee’s actual schedule.
3. Employees will have the option to select multiple shift blocks based on their seniority, up to the maximum full-time hours in a classification.
4. Shifts will be posted in one week (Sunday to Saturday) shift blocks.
5. A shift block may contain 1 to 5 shifts in the seven day period and may contain 4 to 35 hours.
6. The Employer will endeavour to create shift blocks that include a combination of lesson instruction and guarding.
7. Employees will be available and will select shift block(s) within the schedule unless time off has been approved by the Employer.
8. Employees selecting multiple shift blocks must do so in a manner that is consistent with Article 12.04 – Break Periods.
9. Employees will select shift blocks in a manner that provides for at least one day of rest in any given week.
10. Employee requests to work more than 6 days in a given week are at the discretion of the Employer and will not be unreasonably denied.
11. Annual vacation requests will be reviewed at the same time as full-time staff. Annual vacation requests will be granted in one week blocks and not in single days. Approved time off will not result in lost hours beyond the approved time.
12. Time off requests submitted outside the above review will be considered based on operational requirements.
13. This Letter of Understanding will expire on 2016 March 31.

JOINT STATEMENT

PERSONAL AND/OR SEXUAL HARASSMENT

The Employer and the Union recognize the right of all personnel to be treated fairly in a workplace that is free of personal and/or sexual harassment. Personal harassment shall be defined as:

- (a) any behaviour which denies individuals their dignity and respect, and
- (b) is offensive, embarrassing and humiliating to said individual.

Sexual harassment shall be defined as:

- (a) unsolicited sexual advances comprised of offensive sexual comments, gestures and/or physical contact either at or away from the usual workplace that are objectionable or offensive;
- (b) an act which involves favours or promises of favours or advantages in return for submission to sexual advances;
- (c) reprisals or threats for rejection of sexual advances whether male or female.

Personal and sexual harassment could consist of either verbal or physical conduct when submission to, or rejection of, such conduct forms the basis for decisions affecting employment or when such conduct creates an intimidating, hostile, or offensive working environment.

Complaints of personal and/or sexual harassment shall be referred to the Director of Personnel and shall be investigated and dealt with as expeditiously as possible. Should any complaints remain unresolved, the employee may initiate a grievance commencing at Step 3 (Administrator's level).
